

How to insert slider for landing page

1 Navigate to <https://joysoft.techarttrekkies.com/login>

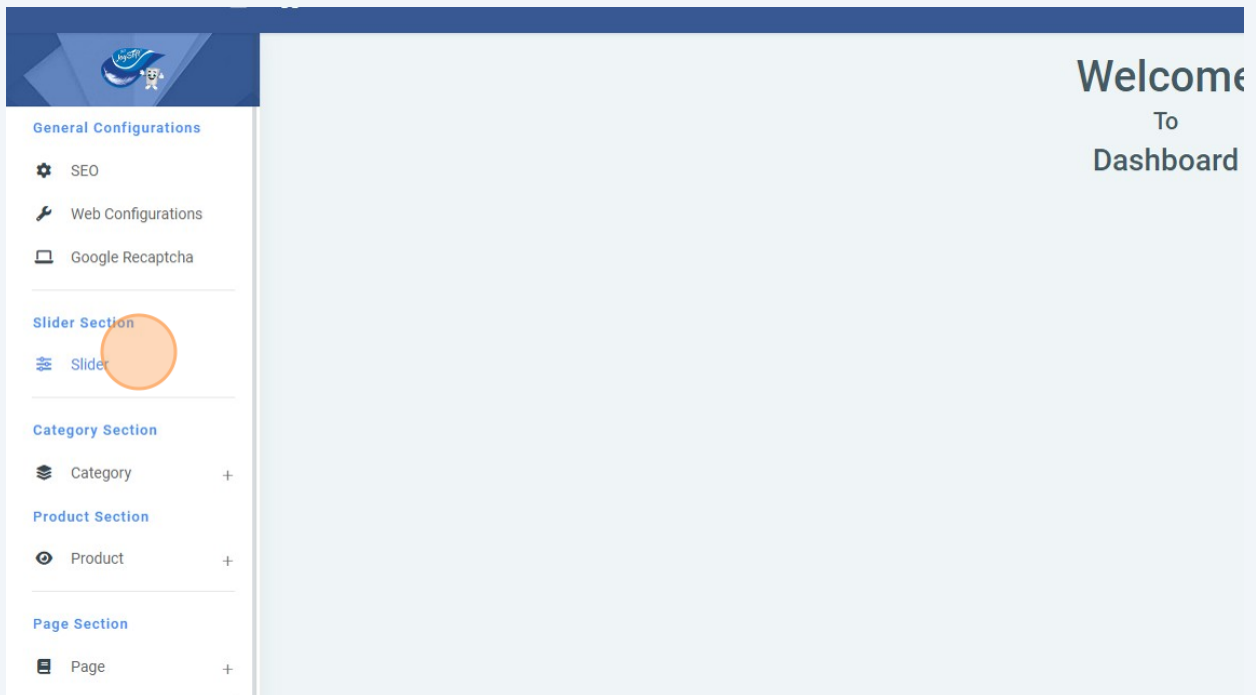

2 Enter your admin credentials.

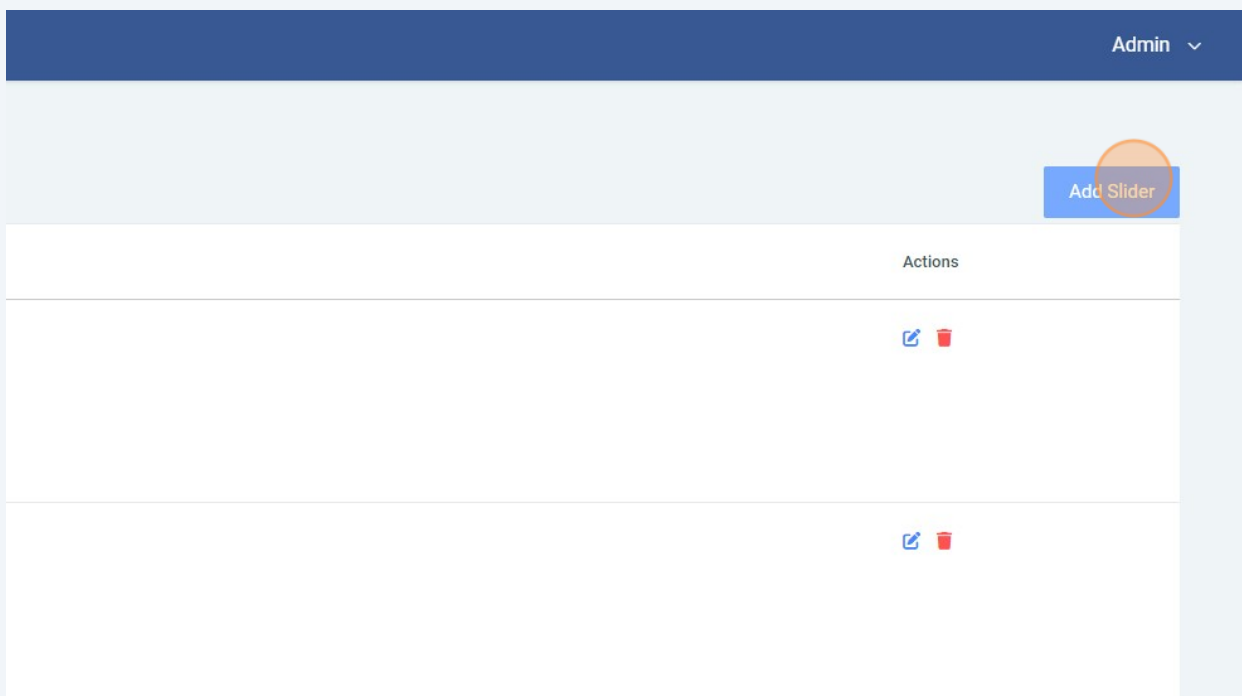

The screenshot shows a 'Sign In' form centered on a blue background. The form has a white background and contains the following elements:

- Sign In** (Title)
- Your Email Address
- Password
- Remember me
- [Forgot Password?](#)
-

3 Click "Slider"

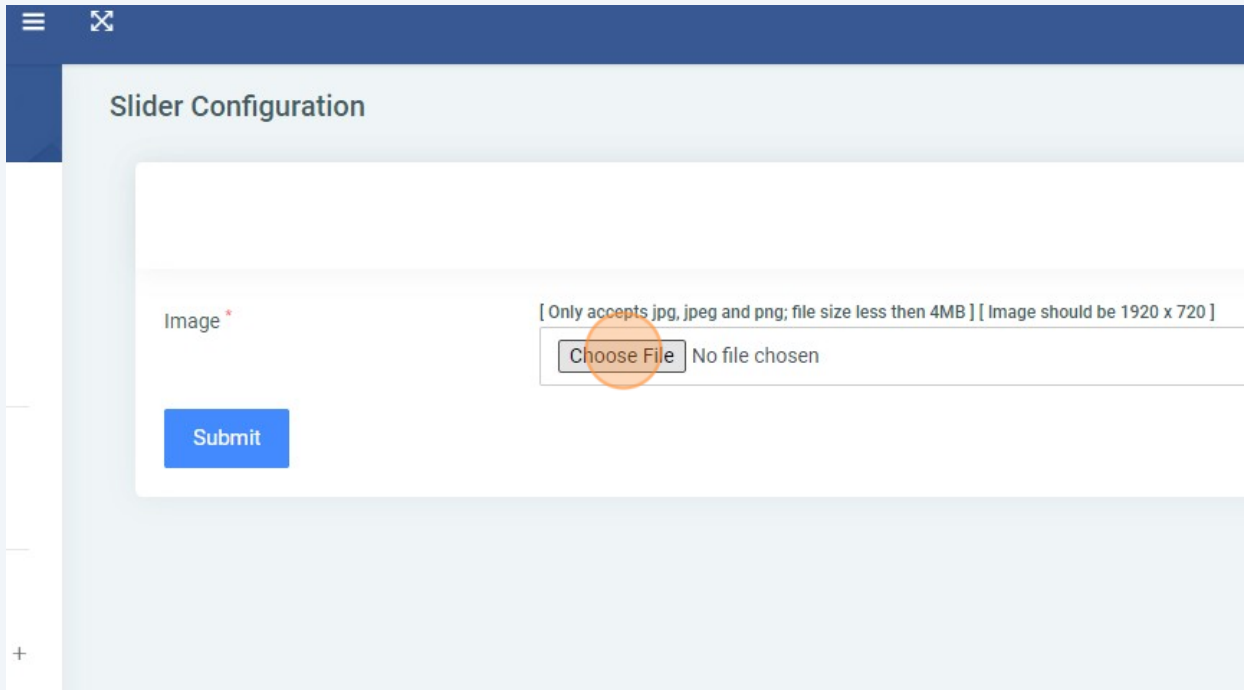

4 Click "Add Slider"

5

Click on choose file.

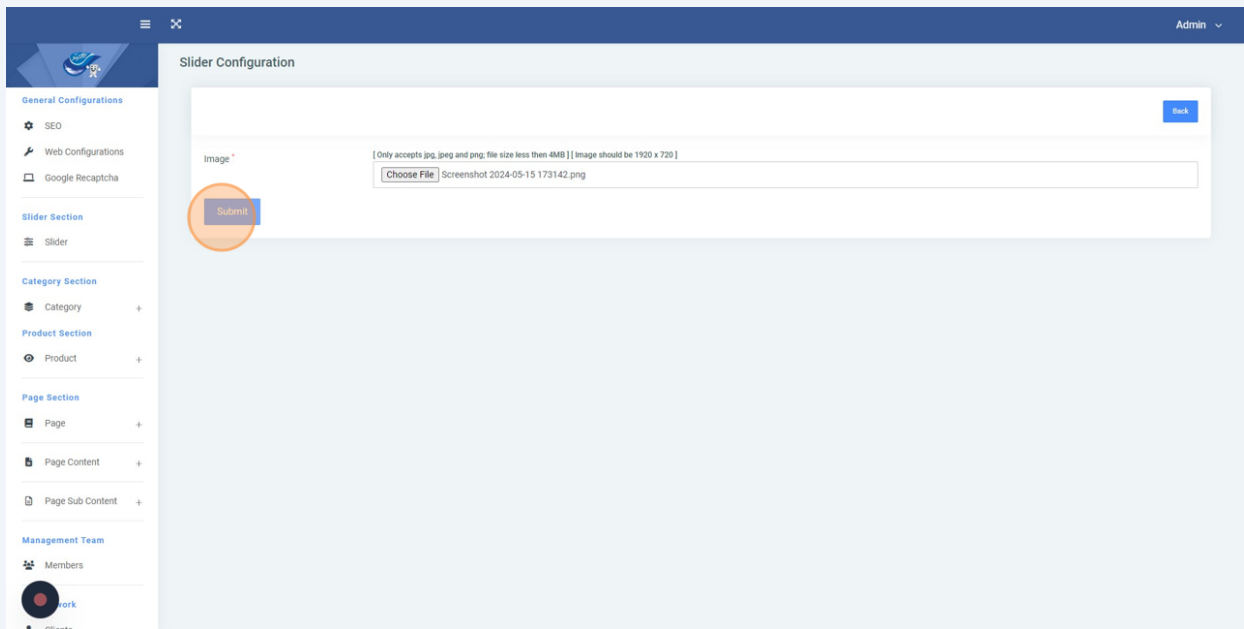

Note: This field only accepts jpeg, jpg and png file. Image file should be 1920 *720 resolution for better image size on landing page.

The screenshot shows a web application interface with a dark blue header and a sidebar on the left. The main content area is titled "Slider Configuration". Below the title is a form with a label "Image *" and a text input field. Above the input field, there is a note: "[Only accepts jpg, jpeg and png; file size less then 4MB] [Image should be 1920 x 720]". Inside the input field, there is a "Choose File" button and the text "No file chosen". Below the input field is a blue "Submit" button. The "Choose File" button is highlighted with an orange circle.

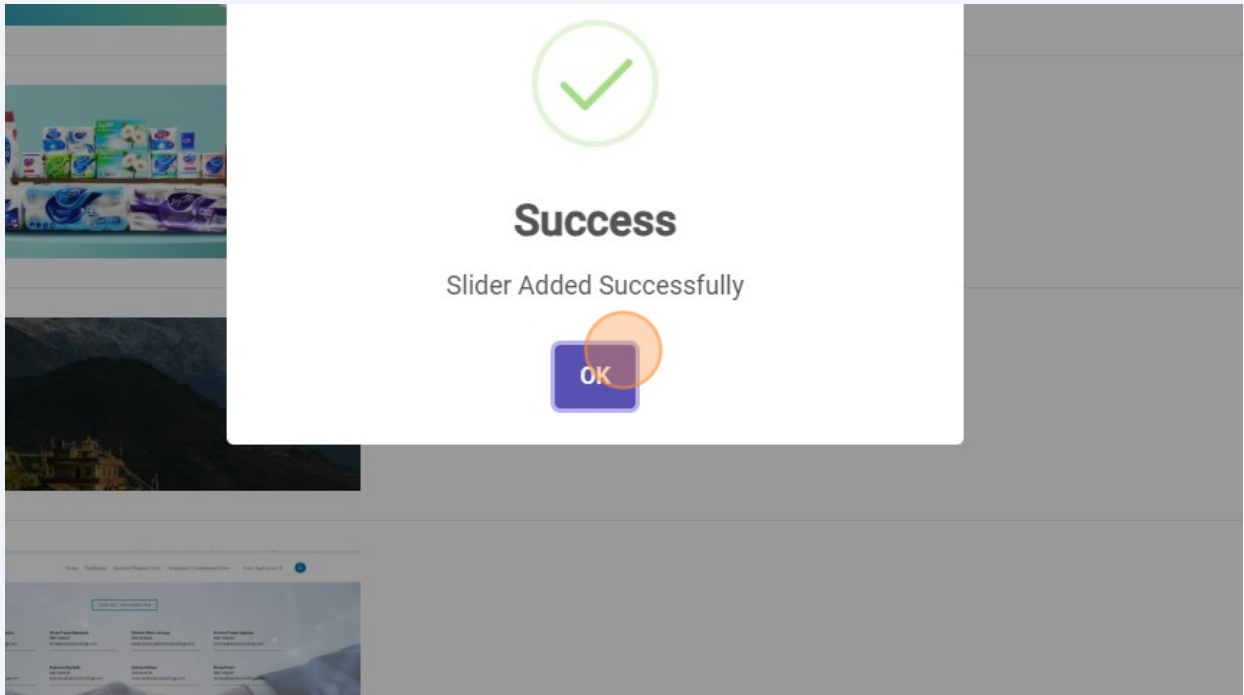

6

Click "Submit" button.

The screenshot shows the same web application interface as the previous one, but now the "Submit" button is highlighted with an orange circle. The "Image" field now contains a file name: "Screenshot 2024-05-15 173142.png". The "Choose File" button is no longer visible. The sidebar on the left is expanded, showing various configuration sections: General Configurations (SEO, Web Configurations, Google Recaptcha), Slider Section (Slider), Category Section (Category), Product Section (Product), Page Section (Page, Page Content, Page Sub Content), and Management Team (Members, Clients). The user's name "Mark" is visible in the bottom left of the sidebar. The "Admin" dropdown menu is visible in the top right of the header.

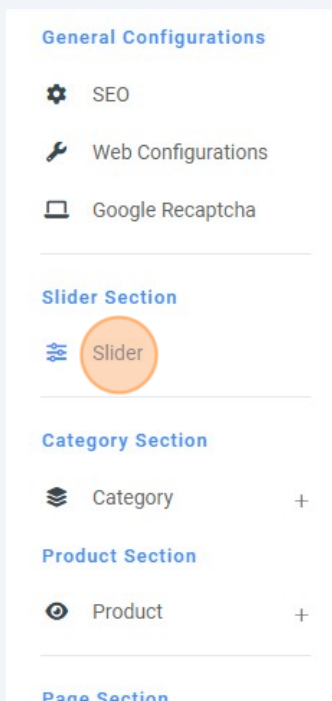

7 Slider is successfully uploaded.

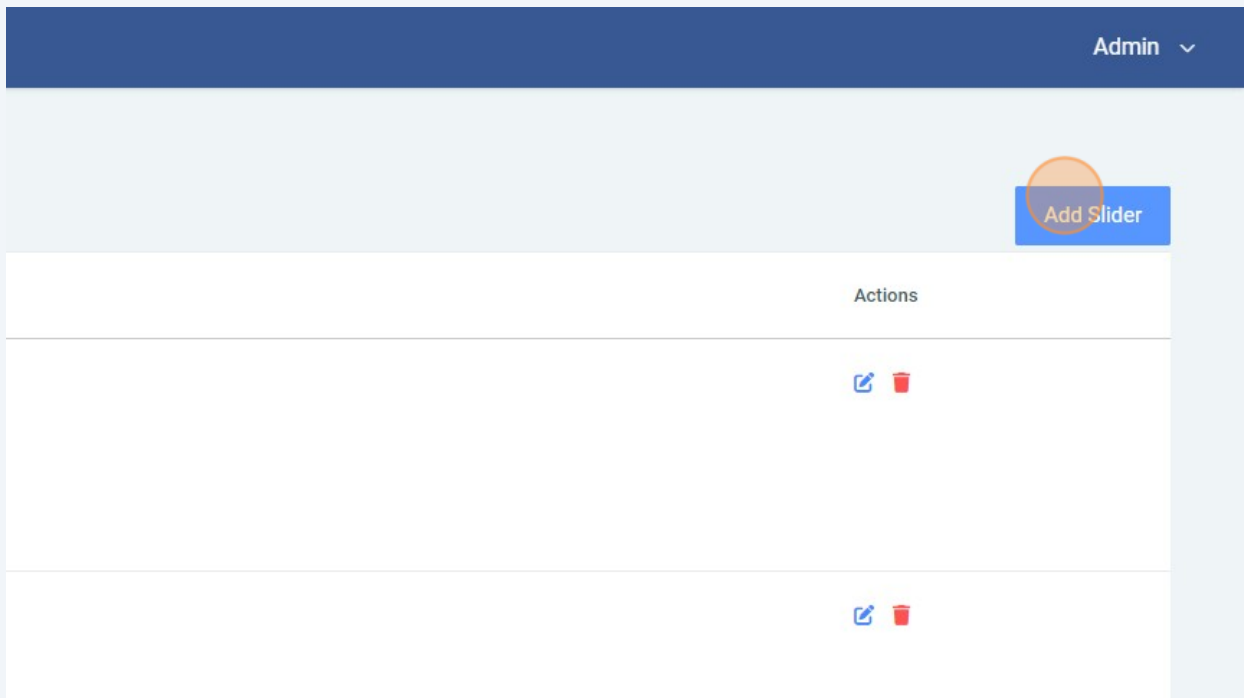

Adding a Slider to Joysoft - Riyaz Traders Website

1 Navigate to <https://joysoft.techarttrekkies.com/admin/dashboard>

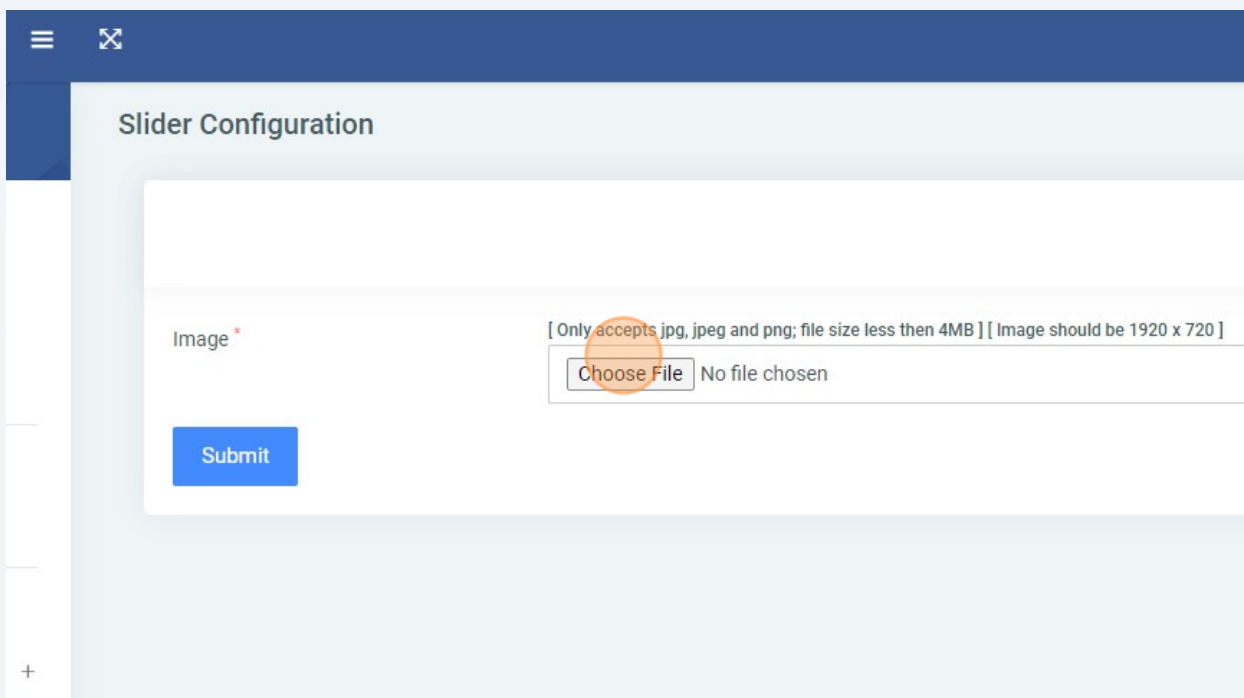

2 Click "Slider"

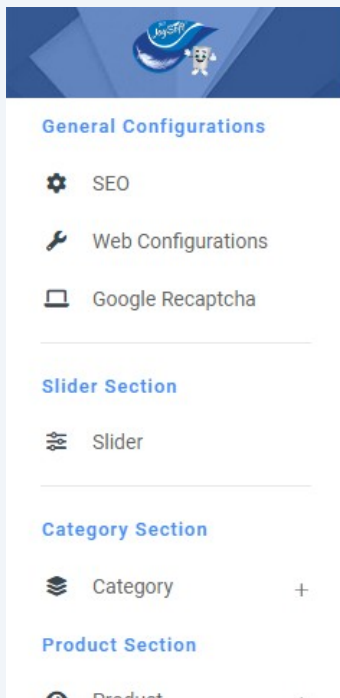

3 Click "Add Slider"

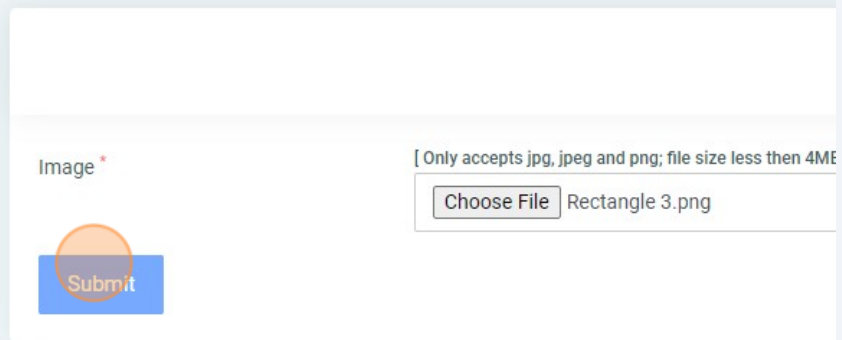

4 Click this file field.

5 Click "Submit"

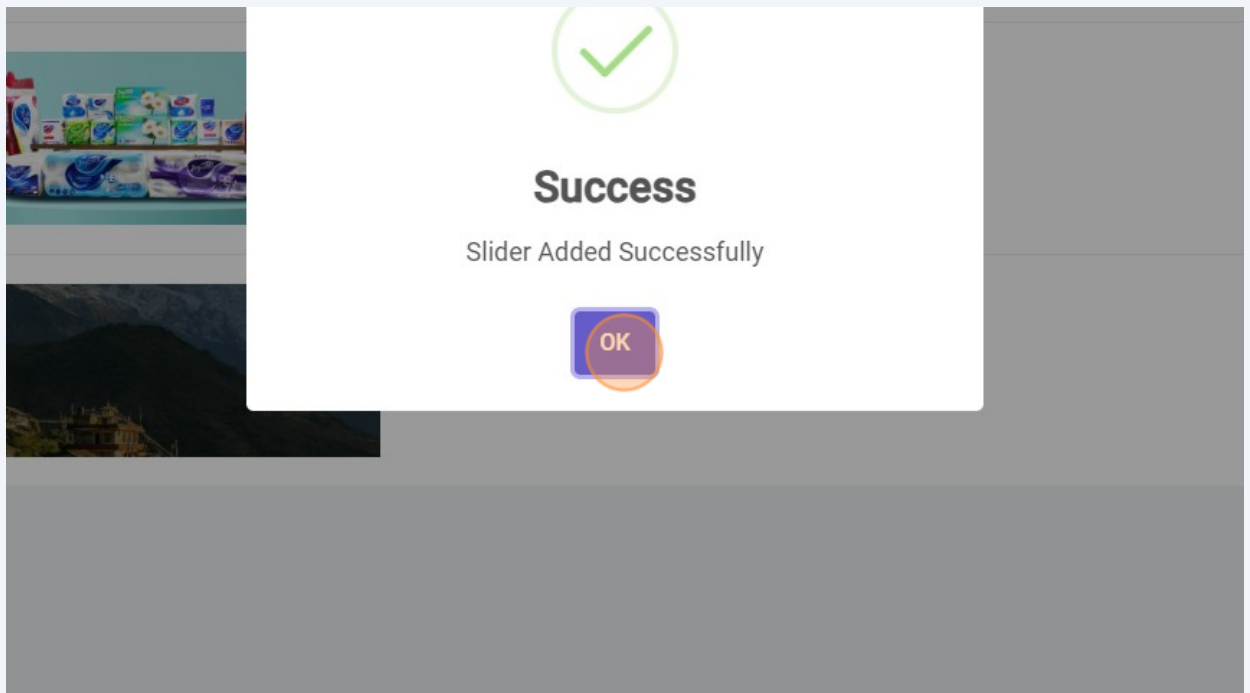

Slider Configuration

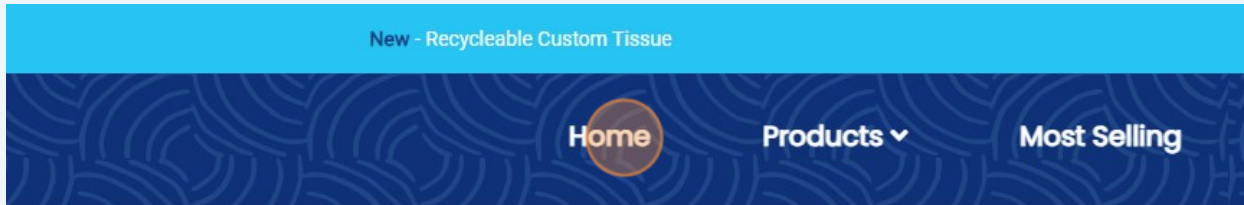

The form is titled 'Slider Configuration'. It has a label 'Image *' and a file upload area. A note above the upload area says '[Only accepts jpg, jpeg and png; file size less then 4ME'. The file name 'Rectangle 3.png' is shown next to a 'Choose File' button. A blue 'Submit' button is located below the file name.

6 Click "OK"

7 Switch to tab "Joysoft - Riyaz Traders"

8 Click "Home"
